

Department of Justice to take appropriate legal action before the court issuing the subpoena. Determining authorities should consult promptly with the OJAG General Litigation Division or the Navy Litigation Office of the General Counsel if this course of action appears necessary, because some objections to subpoenas must be made either within ten days of service of the subpoena or on or before the time for compliance, whichever first occurs, and because this will require timely consultation with the Department of Justice. If no subpoena has been issued, the determining authority must decide whether to deny the request or, if appropriate, waive the fees.

(2) *Waiver or reduction of fees.* The determining authority may waive or reduce fees pursuant to 32 CFR 288.4, 288.9, provided such waiver or reduction is in the best interest of the DON and the United States. Fee waivers and reductions shall not be routinely granted, or granted under circumstances which might create the appearance that DON favors one party over another.

(3) *Witness fees required by the court.* Witness fees required by the rules of the applicable court shall be paid directly to the witness by the requester. Such amounts are to defray the cost of travel and per diem. In a case where the Government has paid the cost of travel and per diem, the witness shall turn over to his or her supervisor any payment received from a private party to defray the cost of travel that, when added to amounts paid by the Government, exceed the actual cost of travel. The supervisor shall forward the amount turned over by the witness to the Office of the Comptroller of the Navy for appropriate action.

(4) *Exceptional cases.* If neither the DON, nor an agency of the Federal Government is a party, appropriated funds may be used to pay, without reimbursement, travel and per diem of DON personnel who are witnesses in criminal or civil proceedings, provided, the case is directly related to the Armed Services, or its members, and the Armed Services have a genuine and compelling interest in the outcome.
